## VERTICAL SCOPE GROUP

**Know someone highly skilled with a security clearance?** Connect us with them and you could receive a \$1,000 EFTPOS Gift Card and a \$500 donation to our charity partner **Bravery Trust** if VSG successfully place them in a job.

We are always interested in speaking to security cleared professionals (Baseline, NV1/NV2/PV) who can aid our mission of strengthening Australia's sovereign capability.

All referrals and candidates registered with VSG receive priority notifications for any new opportunities and existing roles we are managing.

We frequently utilise our network of professionals in the prime and subcontracted services we provide to the Australian Government, Defence & National Security Departments, United States Government (USG) contractors, Tier 1 and 2 corporates and academic institutions.

**We want your assistance connecting us to other consultants / contractors / employees / APS / ADF members that we can assist across Australia.**

All referrals and registered VSG candidates receive priority to any new and existing VSG positions we are managing.

### TERMS AND CONDITIONS

To be eligible for the \$1,500 program, you must be registered with VSG prior to referring another individual. You must have obtained the consent of the person you are referring to VSG prior to submitting their details to us and have acted in accordance with the Australian Privacy Principles (APP).

Under this program, a successful placement occurs when a referred individual becomes a permanent full-time employee and has completed any probationary periods (if applicable). To receive the \$1,000 gift card and \$500 charitable donation to Bravery Trust, the referred individual must commence in a role organised by VSG within 12 months from the date of referral. Temporary/Contract referrals are defined as successful placements provided the contract duration is greater than 6 months, and the referred individual has completed the assignment/contract duration.

A referred individual must not have been a current or previously registered candidate with VSG or engaged in recruitment discussions with a VSG consultant within the preceding six months of the date of referral. Referral Payments and Charity Contributions will be paid once a successful placement occurs as outlined above.
