

TRANSFORM IT

2020

REGISTRATIONS
NOW OPEN

The state of play for security cleared ICT professionals

TransformIT 2020 is a webinar hosted by Vertical Scope Group featuring a panel of experts, corporate leaders and influential professionals to outline emerging ICT trends.

Our panel of speakers will have prepared a short presentation on their insights into the ICT sector. At the conclusion of each presentation, our speakers will answer questions submitted by our candidates.

KEY TOPICS

- Emerging ICT technologies and trends
- Corporate and Government industry insights
- Current and projected skills requirements/shortages
- Entering into the security cleared ICT and cyber sector
- Successful veteran transition

WEDNESDAY NOVEMBER 11TH

@ 12:00PM (AWST) / 2:00PM (AEST)
/ 2:30PM (ACDT) / 3:00PM (AEDT)

SUBMIT YOUR QUESTIONS TO OUR PANEL

Got a question? We invite you to submit your questions to our panel members ahead of the event. You can do so via the registration link below!

David Jam

Mark Carroll

BUSHFIRE.IO
FORMER NATIONAL SECURITY EXECUTIVE /
CO-FOUNDER BUSHFIRE.IO

Drawing on 25 years of service across multiple national security agencies, Mark co-founded Bushfire.io Pty Ltd in early 2020. Using advanced geospatial data fusion, the Bushfire.io platform provided unmatched situational awareness for fire-fighters and the public at the height of Australia's bushfire emergency. Mark's experience spans strategy, technology and operations – both in Australia and overseas.
